

CONTRIBUTION LIMITS

FOR

LOCAL OFFICES

All candidates running for elected office must abide by contribution limits that vary depending on the office sought and the population of the district. The only contributor not subject to limits is the candidate contributing to his or her own election. To determine the limits for a candidate for local office, see the guidelines below and *check with the local clerk to get the current and exact amounts*.

Contribution limitations apply cumulatively to the entire primary and election campaign in which the candidate participates, whether or not there is a contested primary election.

Limit on Contributions from an Individual - 11.26(1)(d), Stats.

The greater of \$250 or \$.01 times the number of inhabitants of the county, town, city, village or district according to the latest federal census, but not more than \$3,000. (Check with the filing officer.)

The \$100 limit on contributions from a single source does not apply to contributions from a candidate's personal funds for his or her own campaign.*
