WISCONSIN BALLOT ACCESS REQUIREMENTS

FOR

PRESIDENT AND VICE PRESIDENT OF THE UNITED STATES

PRESIDENTIAL PREFERENCE PRIMARY - APRIL 3, 2012

In each year of a Presidential Election the state chairperson of each recognized political party in Wisconsin may certify to the Government Accountability Board that the party will participate in the Presidential Preference Primary. Only those parties whose candidate for governor at the last election received at least 10% of the total vote cast for that office (Democratic and Republican Parties) may participate. Certification must be made **no later than 5:00 p.m. on Tuesday, December 13, 2011**. § 8.12(1), Wis. Stats. Each party that files this certificate will appear on the February Presidential Preference ballot. Independent candidates for President do not appear on the Presidential Preference ballot.

The candidates for each of the recognized political parties which have filed the certificate to participate in the Presidential Preference Primary are named by a Presidential Preference Selection Committee. This committee consists of the state chairperson or designee of each of the political party organizations filing a certificate, as well as one national committeeman and one national committeewoman designated by the state chairperson. Other members of this committee are the speaker and the minority leader of the state assembly or their designees, and the president and minority leader of the state senate or their designees. This group selects an additional member to serve as its chairperson.

The Presidential Preference Selection Committee meets on **Tuesday, January 3, 2012**, at the State Capitol in Madison. § 8.12(1)(b), Wis. Stats. This committee has sole discretion to determine which persons are generally advocated or recognized by the news media throughout the United States as candidates for the office of president. The names of these candidates, and any other candidates they select, are certified for ballot placement to the Government Accountability Board **no later than Friday, January 6, 2012**. § 8.12(1)(b), Wis. Stats. Any person selected by this committee who does not wish to be a candidate at the Presidential Preference Primary must file a disclaimer with the Government Accountability Board **no later than 5:00 p.m. on Tuesday, January 31, 2012**. § 8.12(1)(d), Wis. Stats.

Any person seeking the presidential nomination by the national convention of a political party certified to participate in the Presidential Preference Primary who was not selected by the Committee may petition the Government Accountability Board to have their name appear on the Presidential Preference ballot. The petition can also be filed by any committee organized in this state on behalf of and with consent of the person. **The first day for circulating this petition is January 3, 2012, and the last day for filing the petition is no later than 5:00 p.m. on Tuesday, January 31, 2012.** § 8.12(1)(c), Wis. Stats. The petition (GAB-174) must conform to the requirements of § 8.40, Wis. Stats. The petition must contain at least 1,000 and not more than 1,500 signatures of qualified electors in each of the 8 congressional districts of the state for a total of at least 8,000 signatures. All signers on each separate sheet of the petition must reside in the same congressional district.
